

# BROADWAY CORRIDOR DESIGN CHARRETTE

The East Tennessee Community Design Center and Broadway Corridor Task Force invite you to join us in a public input session regarding the development of a Broadway Corridor Enhancement Plan. Light refreshments will be served.

## BROADWAY CORRIDOR DESIGN CHARRETTE

EAST TENNESSEE  
**COMMUNITY**  
DESIGN CENTER  
*Envision. Inspire. Improve.*

*A charrette is an intensive planning session where citizens, designers and others collaborate on a vision for development. It provides a forum for ideas and offers the unique advantage of giving immediate feedback to the designers. More importantly, it allows everyone who participates to be a mutual author of the plan.*

The results from this meeting will influence the overall Broadway Corridor Enhancement Plan that will be developed through the East Tennessee Community Design Center.

As an integral part of the Broadway Corridor community your participation is greatly needed to make this meeting a success!
